\* \* \* \* \*

**WHEREAS**, the City Council (the "Council") of the City of San Antonio, Texas (the "City") desires to support revitalization activities for the Rosillo Ranch Development Project in District 2 (the "Project"), to be funded in whole or in part through the creation of a Tax Increment Reinvestment Zone ("TIRZ"), pursuant to the provisions of the Tax Increment Financing Act (the "Act"), Texas Tax Code, Chapter 311; and

**WHEREAS**, the City received a petition for TIRZ designation by owners representing over 50% of the appraised value of the land within the boundaries of the proposed TIRZ, and the City desires to create the TIRZ in accordance with the Act and City's adopted 2004 Guidelines and Criteria for the use of tax increment financing ("Guidelines"); and

**WHEREAS**, the Project is located in the City's Secondary Target Area for TIF, is eligible for the City's participation at up to 90%, and is in substantial compliance with the City's Master Plan and the 2004 Guidelines because it encourages community revitalization, infrastructure improvements and market-rate housing within this important area of the City; and

**WHEREAS**, the Project is subject to the Universal Design Policy of the City, located in Chapter 6, Article XII of the City Code, as amended October 24, 2002 by Ordinance No. 96621, which requires specific design features in single-family homes, duplexes and triplexes constructed with financial assistance from the City or in a TIRZ, to create barrier-free construction; and

**WHEREAS**, Rosillo Creek Development Limited, (the "Developer"), is expected to comply with all of the TIF Guidelines requirements for the Project, including but not limited to universal design requirements and payment and performance bonds as set out in Chapter 2253 of the Texas Government Code; and

**WHEREAS**, if homes constructed in the Project are found not to be constructed in compliance with the Universal Design Policy of the City, the City pursuant to a pending Development Agreement may undertake various options, including, but not limited to terminating the TIRZ, or

removing the non-compliant parcels and their tax accounts from the boundaries of the TIRZ and the list of accounts generating revenue for the TIF fund, which will then require an amendment to the Final Financing Plan; and

**WHEREAS**, the proposed public improvements and project costs eligible for reimbursement from the TIF fund for the Project include site work, storm water pollution prevention, drainage extension (Rosillo Creek clean-up), streets, alleys, drainage, sewer, water, sidewalks, bridge, stop signs, street lights, traffic signals, CPS electric, street trees, platting fees, engineering-surveying expenses, contingency, construction management, legal and formation fees; and

**WHEREAS**, pursuant to the Act, the City may designate a contiguous geographical area within the City as a TIRZ if the City Council finds the Project satisfies the requirements of the TIF Act; and

**WHEREAS**, on December 1, 2005, the City Council adopted Resolution No. 2005-46-41, expressing its intent to consider the creation of the proposed TIRZ, and authorizing City staff to: (i) deliver notice of said intention to the governing bodies of each taxing unit that levies real property taxes in the proposed TIRZ, including in the notice a description of the TIRZ, the tentative plans for development of the TIRZ, and the estimated impact of the TIRZ on property values and tax revenues; (ii) set a date for a public hearing and publish notice thereof; (iii) make presentations to each of said taxing units; (iv) request each of said taxing units to appoint a representative to meet with City officials; and (v) to call meetings regarding the TIRZ; and

**WHEREAS**, on December 28, 2005, the City sent such written notice to the governing body of each taxing unit that levies real property taxes in the proposed TIRZ of the City's intent to consider establishing the TIRZ, providing 60-days' notice prior to the public hearing; and

**WHEREAS**, City staff has (i) prepared a Preliminary Reinvestment Zone Financing Plan (the "Preliminary Plan") for the proposed TIRZ, and (ii) distributed a copy of the Preliminary Plan to the governing body of each taxing unit that levies taxes on real property in the proposed TIRZ; and

**WHEREAS**, City staff has made formal presentations to the governing bodies of Bexar County and each school district that levies real property taxes in the proposed TIRZ; and

**WHEREAS**, notice of the public hearing to be held on June 29, 2006, was published in the Daily Commercial Recorder on June 19, 2006; and

**WHEREAS**, a public hearing was held on June 29, 2006, at 9:00 a.m. in the Council Chambers, City Hall to consider the creation of a TIRZ for the Project and its respective benefits to the City and to property in the proposed TIRZ; and

**WHEREAS**, the Developer recognizes that there is no guarantee that the value of property in the TIRZ will increase, that any increases in value are dependent upon many factors which are not within the City's control, and that there is no guarantee of any tax increment, as that term is defined in the TIF Act; and

**WHEREAS**, this designation of a TIRZ does not financially obligate the City or other taxing entities, such obligations to be contained in Development and Interlocal Agreements yet to be negotiated; and

**WHEREAS**, it is officially found and determined that the meeting at which this Ordinance was passed was open to the public, and public notice of the time, place and purpose of said meeting was given, all as required by Chapter 551, Texas Government Code; **NOW THEREFORE:**
